

TERNA MEDICAL COLLEGE
PRESENTS

AAKANKSHA 2020

The annual fest of Terna Medical College

2020

About Us:

Established in 1991, and affiliated Medical Council of India and Maharashtra University, we are a front line leader in the field of Medicine and with our graduates serving the society globally.

At Terna Medical College (TMC) we aim to give the society a better Doctor; a Doctor who can make a difference.

About Aakansha:

"AAKANKSHA", a word which itself signifies ambition and desire. This event gives platform for students to unleash their artistic and athletic talents. It's a warped reality and a plethora of events to behold!
