**DEPARTMENT OF ANESTHESIOLOGY**

1. Dr. Archana Mhatre, Dr. Sunanda Panigrahi, Dr. Sujata B. Pawar; 'A comparative study between Oral Midazolam and Nitrous oxide-oxygen for Dental Extractions in Paediatric Patients;National Journal ;JEMDS;2018:7(34);3744-3749.
2. Dr. Archana Mhatre, Dr. Sunanda Panigrahi; 'Prospective Camparative Analysis for Gynaecological Laparoscopic Surgery betweenpropofor & Thiopentone sodium – Halothane anaesthesia;GJRA; Volume- 7;Issue –08; August 2018; ISSN;No.2277-8160.
3. Dr. Archana Mhatre, Dr. Sameer Chitnis; 'Camparative study of Intravenous 2% lignocaine versus Metoprolol to attenuatepressor response to Laryngoscopy;International Journal; IJCR August 2018, Volume 10; Issue – 8;73013 – 3019.
4. Dr.Sunanda Panigrahi, Dr. Archana Mhatre 'Camparative study between Ketamine & Bupivacaine Intrathecally in lower abdomen and lower limb surgery;International Journal 2018 ;IAIM;2018 ;Vol5; Issue 8;47-54.
5. Dr. Archana Mhatre 'Comparative study of propofol-ketamine vs ketamine for TIVA in day caesurgeries';Narional Journal; GJRA ; June-2019.
6. Dr. Archana Mhatre 'Pain relief during epidural needle placement-comparative study using Eutectic mixture of local infiltration v/s localinfiltration alone'; Narional Journal;GJRA December-2019.
7. Dr. Meena Agarwal, Dr. Anuradha Malliwal 'Effects of dexmedetomidine on Haemodynamic responses during tracheal extubations'; Indian journal of Anesthesia;Jan-March-2019; 6(9);23-29.
8. Dr. Anuradha Malliwal, 'Evaluation of Epeidural Buprenorphine for post operative Analgesia for below Umblical Surgical Procedures';International Journal of Research & review;May-2019; Vol .6; Issue-5:1-9.
9. Dr. Madhuri Dhabarde, Nilesh G . Tirpude 'Comparing the effects of different volumes of 0.5% Hyberbaric Bupivacaine in Subarachnoid Blockade';Annals of International Medical & Dental Research(AIMDR); ISSN(O):2395-2822;ISSN(P):2395-2814;August 2019;19-21.
10. Dr. Anuradha Malliwal, Dr. Rochana Bakhi, Dr. Meenal Agarwal, Myaesthesia Gravis: An Anaesthetic Challenge;JMSCR:Vol-3;Issue-9;ISSN-2347-176x;7443-7445.
11. Dr. Madhuri Dhabarde, Dr. Anuradha Malliwal;A Comparative Analyysis between Desflurane and Propofol as Single Agent Anesthesia;IAIM May 2016;3(5):64-73.

12. Dr. Deepika Shukla, Dr. Madhuri Dhabarde; Tracheal Intubation in Patient with pregnancy Induced Hypertension :comparative Study between Esmolol,Diltiazem & Magnesium Sulphate;IJSR;May 2016:ISSN No-2277-8179:563-566.
13. Dr. Madhuri Dhabarde, Deepika Shukla, Jayshree Vaswani,Shubha Mohite;Neurofibromatosis Type 2 for Craniotomy;Anaesthesia Management of a Rare Case; IJSR; March 2016;Vol-5 Issue-3;ISSN No-2277-8179;page no -129-131.
14. Dr. Sagar Dilip Vyas, Dr.Abhijeet Waychal 'A comparative study of analgesic efficacy of Butorophanol and Fentanyl; Medpulse International Journal of Anesthesiology; June2020;14(3):88-91.
15. Dr. Shalaka Sandeep Nellore, Dr. Abhijeet Waychal, Preeti Sachin Rastagi; Comparison of Dexmedetomidine-Propofol Versus Fentanyl-propofol on Insertion Conditions of Proseal Laryngeal Mask Airway;JCDR;2016Nov;Vol-10(11);UC06-UC09.
16. Dr. Archana Mhatre 'Current studies Predicting difficulty score forspinal Anaesthesia. ongoing.
